GENERAL PROVISIONS

THESE GENERAL PROVISIONS SHALL BE DEEMED AS PART OF THE BID SPECIFICATIONS.

The provisions of the Procurement Ordinance for the Consolidated Government of Columbus, Georgia as adopted and amended by Council shall apply to all invitations for bids and award of all contracts and is specifically incorporated herein by this reference. A copy of the ordinance is on file in the Purchasing Division.

- 1. TERM "CITY". The term "City" as used throughout these documents will mean Consolidated Government of Columbus, Georgia.
- 2. PREPARATION OF FORM. Bid proposals shall be submitted on the forms provided by the City. All figures must be written in ink or typewritten. Figures written in pencil or erasures are not acceptable. However, mistakes may be crossed out, corrections inserted adjacent thereto, initialed in ink by the person signing the proposal. If there are discrepancies between unit prices quoted and extensions, the unit price will prevail. Failure to properly sign forms, in ink, will render bid incomplete.
- 3. **EXECUTION OF THE BID PROPOSAL.** Execution of the bid proposal will indicate the bidder is familiar and in compliance with all local laws, regulations, ordinances, site inspections, licenses, dray tags, etc.
- **4. BID DUE DATE**. The bid submission must arrive in the Purchasing Division on or before the stated due date and time. Upon receipt, bids will be time and date stamped. Bids will remain sealed and secured until the stated due date and time for the bid opening.
- 5. BID OPENING. The Purchasing Division Manager or Purchasing staff appointee will open bids. The bid amount and other pertinent information as determined by the Purchasing Division Manager will be read and recorded. The bids as recorded at the bid opening represent a draft tabulation and may include incorrect price extensions or transcription errors and are subject to change if conflicting information is discovered during analysis of the bid responses. A bid tabulation will be made available to bidders after extensions have been checked and all other specification compliance has been determined. In the essence of time, bidders may not be allowed to review bids at the bid opening. However, bidders will be allowed to make appointments to review the bids at a later date.
- **6. LATE BIDS.** It is the responsibility of the bidder to ensure bids are submitted by the specified due date and time. Bids received after the stated date and time will be returned, unopened, to the bidder. The official clock to determine the date and time will be the time/date stamp located in the Finance Department. All bids received will be time and date stamped by the official clock.
- **7. RECEIPT OF ONE SEALED BID.** In the event only one sealed bid is received, no formal bid opening shall take place. First, the Purchasing Division shall conduct a survey of vendors to inquire of "no bid" responses and non-responsive vendors. If, from the survey, it is determined by the Purchasing Division that specifications need revision, the one bid received will be returned, unopened, to the responding vendor, with a letter of explanation and a new bid solicitation prepared. If it is determined that other vendors need to be contacted, the bid due date will be extended, and the one bid received will remain sealed until the new bid opening date. The vendor submitting the single bid will receive a letter of explanation.

If it is determined the one bid received is from the only responsive, responsible bidder, then the bid shall be opened by the Purchasing Division Manager or designee, in the presence of at least one other witness. The single bid will be evaluated by the using agency for award recommendation.

- **8. RECEIPT OF TIE BIDS.** In the event multiple responsive, responsible bidders are tied for the lowest price and all other terms and requirements are met by all tied bidders, the award recommendation shall be resolved in the order of the preferences listed below:
 - 1. Award to the local bidder whose principal place of business is located in Columbus, Georgia.
 - 2. Award to bidder previously awarded based on favorable prior experience.
 - 3. Award to bidder whose principal place of business is located in the State of Georgia.
 - 4. If feasible, divide the award equally among the bidders.
 - 5. If it is not feasible to award equally and only two bidders are tied, perform a coin toss in the presence of the two bidders, either in person or virtually.
 - 6. If the above preferences are insufficient to resolve the tie, all bid responses will be rejected and the bid will be readvertised.
- 9. RECEIPT OF MULTIPLE BIDS. Unless otherwise stated in the bid specifications, the City will accept one and only one bid per vendor. Any unsolicited multiple bid(s) will not be considered. If prior to the bid opening, more than one bid is received from the same vendor, the following will occur: (1) the bidder will be contacted and required to submit written acknowledgment of the bid to be considered; (2) the additional bid(s) will be returned to the bidder unopened. If at the bid opening more than one bid is enclosed in a single bid package, the City will consider the vendor non-responsive and bids will be returned to the bidder.

- **10. CONDITIONS AND PACKAGING.** Unless otherwise defined in the bid specifications, it is understood and agreed that any item offered or furnished shall be new, in current production and in first class condition, that all containers shall be new and suitable for storage or shipment, and that prices include standard commercial packaging.
- **11. FREIGHT/SHIPPING/HANDLING CHARGES.** All freight, shipping, and handling charges shall be included in the bid price. The City will pay no additional charges.
- **12. CORRECTIONS OR WITHDRAWAL OF BID/CANCELLATION OF AWARDS.** Corrections or withdrawals of inadvertently erroneous bids before or after bid opening, or cancellation of awards of contracts based on such bid mistakes may be permitted where appropriate. Mistakes discovered before bid opening may be modified or bid withdrawn by written notice received in the office of Purchasing prior to the time of the bid opening.

After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the City or fair competition shall be permitted. In lieu of bid correction, a low bidder alleging a material mistake of fact may be permitted to withdraw its bid if the mistake is clearly evident, or if the bidder submits evidence, which clearly and convincingly demonstrates that a mistake was made. All decisions to permit corrections or withdrawals of bids or to cancel awards or contracts based on bid mistakes will be supported by the written determination of the Purchasing Officer.

- **13. ADDENDA AND INTERPRETATIONS.** If it becomes necessary to revise any part of this bid, a written addendum will be provided to all bidders. The City is not bound by any oral representations, clarifications, or changes made to the written specifications by City employees, unless such clarification or change is provided to the bidders in written addendum form from the Purchasing Officer. Bidders will be required to acknowledge receipt of the addenda (if applicable) in their sealed bid proposal. The vendor may provide an initialed copy of each addendum or initial the appropriate area on the bid form (pricing page). Failure to acknowledge receipt of the addenda (when applicable) will render bid incomplete. It is the bidder's responsibility to ensure that they have received all addenda.
- 14. BID EVALUATION AND AWARD. During the evaluation of bids, the City reserves the right to request clarification of bid responses and to request the submission of references, if deemed necessary for a complete evaluation of bid responses. Award will be made to the responsive and responsible bidder whose bid is most economical according to criteria designated in the solicitation. The determination of the lowest responsive and responsible bidder may involve all or some of the following factors: prices, conformity to specifications, financial ability to meet the contract, previous performance, facilities and equipment, availability of repair parts, experience, delivery promise, terms of payment, compatibility as required, other cost, and other objective and accountable factors, if any, (which are further described in the specifications). The City shall be the judge of the factors and will make the award in the best interest of the City.
- **15. TIME FOR CONSIDERATION.** Bids must remain in effect for at least sixty (60) days after date of receipt to allow for evaluation.
- **16. BID SECURITY AND PERFORMANCE BOND. Bid security (Bid Bond)** shall be required for all competitive sealed bids for construction contracts when the price is estimated by the Purchasing Officer to exceed \$10,000. Bid security shall be a bond provided by a surety company authorized to do business in the State, or in the form of a certified check. Such bonds may also be required on construction contracts under \$10,000 or other procurement contracts when circumstances warrant. Bid security shall be in an amount equal to at least five percent (5%) of the bid amount. The City will accept a copy of a bid bond at the bid opening. However, if a copy of a bid bond is submitted, the bidder must submit to the Purchasing Division the identical original document within five (5) days after the bid opening. **If the original document is not received within the five (5) days, the bid will not be considered.**

When a construction contract is awarded in excess of \$25,000 the successful bidder will be required to furnish a **Performance Bond** executed by a surety company authorized to do business in the State. The performance bond shall be equal to one hundred percent (100%) of the price specified in the bid.

- 17. SUBCONTRACTING. Should bidder intend to subcontract all or any part of the work specified, name(s) and address(es) of sub-contractor(s) must be provided in bid proposal (use additional sheet if necessary). THE COLUMBUS CONSOLIDATED GOVERNMENT WILL NOT BE RESPONSIBLE FOR PAYMENTS TO SUBCONTRACTORS.

GENERAL SPECIFICATIONS WELDING/METAL FABRICATION SERVICES (ANNUAL CONTRACT) RFB No. 22-0043

I. SCOPE

These specifications describe the minimum requirements for the procurement of welding and metal fabrication services for various facilities and equipment owned by the City. The equipment may be located in buildings, ball fields, watershed lake valves, swimming pools, the Muscogee County Jail, Muscogee County Prison and vehicles at the City's Auto Shop.

Vendors are required to have a facility with the capacity to store large vehicles such as garbage trucks with a height of 11'6", utility trucks, etc., during inclement weather while rendering emergency services. The facility shall be located within thirty (30) miles of the City. The City reserves the right to add additional related items/services during the term of the contract.

Refer to **Appendix A** for Technical Specifications.

II. TERM OF CONTRACT

A. The term of contract shall be for two (2) years, with the option to renew for three (3) additional twelve-month periods. Contract renewal will be contingent upon the mutual agreement of the City and the Contractor.

Notice of intent to renew will be given to the contractor in writing by the Purchasing Division Director, normally sixty days before the expiration date of the current contract. This notice shall not be deemed to commit the City to a Contract renewal.

It should be noted that multi-year contracts may be continued each fiscal year only after funding appropriations and programs approval has been granted by the Council of the Consolidated Government of Columbus, Georgia. In the event that the necessary funding is not approved, then the affected multi-year contract becomes null and void, effective July 1st of the fiscal year for which such approval has been denied.

B. Termination for Convenience

For the protection of both parties, either party giving 30 days prior notice in writing to the other party may cancel this contract.

III. ESCALATION CLAUSE

Contract pricing shall remain fixed for the initial two (2) year term of the contract. After the initial term, Contractor may request a price escalation by submitting a fully documented request (i.e., documentation from manufacturers illustrating the necessity to implement price increases). *Request for price increases, without documentation, shall not be considered.* Such escalation shall not exceed a five percent (5%) increase. The using department(s) and the Purchasing Manager will review the request and shall approve or disapprove the increases based on budget constraints and other price comparisons.

If for any reason the contractor has a price increase that exceeds five percent (5%), the price increase will be evaluated on a case-by-case basis. The City and the Contractor will have the option to discuss and make adjustments to the requested increase. If either party declines

approval of the adjustments, the contract will be considered cancelled on the scheduled expiration date of the contract.

IV. QUESTIONS / ADDENDA

Questions and requests for clarification must be submitted within five (5) business days of the due date (see pages 9 & 10). Changes to the specifications (if any) will be provided in the form of an addendum, which will be posted on the web page of the Finance Department/Purchasing Division of Columbus Consolidated Government at https://www.columbusga.gov/finance-2/bid-opportunities. It is the vendors' responsibility to periodically visit the web page for addenda before the due date and prior to submitting a quote.

V. GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT/E-VERIFY

Pursuant to O.C.G.A. § 13-10-91, a public employer shall not enter into a contract for the performance of services unless the contractor registers and participates in the federal work authorization program. If a supplier is providing services under a contract with a total compensation amount of \$2,500 or greater, (even if such services will be performed outside of the State of Georgia), Columbus Consolidated Government requires a notarized affidavit from the supplier attesting to the following:

- (D) The affiant will contract for the physical performance of services in satisfaction of such contract only with subcontractors who present an affidavit to the contractor with the same information required by subparagraphs (A), (B), and (C) of this paragraph.

Additional information regarding the State's E-Verify requirements can be found at: http://www.audits.ga.gov/NALGAD/IllegalImmigrationReformandEnforcementAct.html. A completed, notarized E-Verify Affidavit must be included with sealed proposal; failure to do so will render the firm's or individual's proposal non-responsive and ineligible for award consideration.

VI. INSURANCE

The vendors shall be required, at their own expense, to furnish to the City of Columbus Purchasing Division, evidence showing the insurance coverage to be in force throughout the term of the contract. Insurance requirements are listed on the attached **Insurance Checklist**. The limits shown are minimum limits. Vendor shall indicate the actual limit they will provide for each insurance requirement. The bidder shall complete the Insurance Checklist and include with bid response. Certificate of Insurance is acceptable. The Insurance Checklist will indicate to the City, the bidder's ability and agreement to provide the required insurance, in the event of contract award.

The successful candidate shall provide the required Certificates of Insurance within 10 business days after award notification. The Certificates of Insurance will name Columbus Consolidated Government as an additional insured, as well as list the applicable project or annual contract name, and/or solicitation name and number. X. TERMINATION OF CONTRACT

Default: If the contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract, or any extension thereof, otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Purchasing Division Director may notify the contractor in writing of the delay or non-performance and if not cured within ten (10) days or any longer time specified in writing by the Purchasing Division Director, such director may terminate the contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform.

In the event of termination in whole or in part the Purchasing Division Director may procure similar supplies or services, from other sources, in a manner and upon terms deemed appropriate by the Purchasing Division Director. The contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

Compensation: Payment for completed supplies delivered and accepted by the city shall be at the contract price. The City may withhold from amounts due the contractor such sums as the Purchasing Director deems to be necessary to protect the City against loss because of

outstanding liens or claims of former lien holders and to reimburse the City for the excess costs incurred in procuring similar goods and services.

Excuse for Nonperformance or Delayed Performance: Except with respect to defaults of subcontractors, the contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms, if the contractor has notified the Purchasing Division Director within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of public enemy; acts of the City and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, the contractor shall not be deemed to be in default, unless the supplies or services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit the contractor to meet the contract requirements.

Upon request of the contractor, the Purchasing Division Director shall ascertain the facts and extent of such failure, and, if such director determines that any failure to perform was occasioned by any one or more of the excusable causes, and that, but for the excusable cause, the contractor's progress and performance would have met the terms of the contract, the delivery schedule shall be revised accordingly.

Responding to an Electronic Bid

5 Step Instructions

Step 1

Many governments are moving toward requiring bid responses electronically. Here are the steps to respond to a bid Electronically.

• Click on the solicitation name

Step 2

Once you are in the solicitation, you will see the Bid Details page that is standard for all solicitations

 When you are ready to submit your bid, click on "Submit E-Bid Proposal"

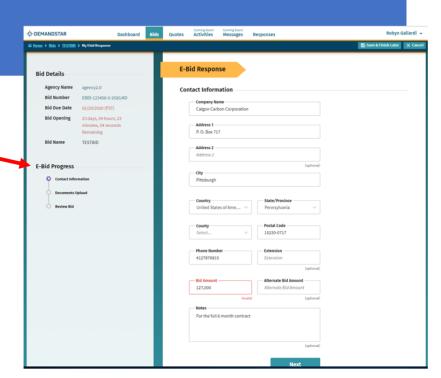

Step 3

Enter information requested pageby-page and you can see what will come next via the menu bar on the left under "E-Bid Progress"

Enter "0" as your bid (proposal) amount.

(As cost proposals remain confidential until after contract award (if any), Columbus Consolidated Government will not consider proposed costs, fees, revenues, etc., that are entered directly into DemandStar.)

Step 4

After you click NEXT on the Contract Information page, you will be directed to enter the documents required.

Create one (1) file containing <u>only</u> the required documents listed on the "Electronic Proposal Submission Checklist" page of the specifications and upload using the "Bidder Response ALL Documents" function.

NOTE: Do not enter information using the "Supplemental Documents" function.

Due to file size limitations, please <u>do not</u> include the City's specification document in your uploaded response as this information is already on file. Font and page limitations may also apply.

BEST PRACTICE TIP: In some instances, multiple addenda may be issued for a solicitation. To avoid having to re-upload your firm's response file multiple times, it is recommended that vendors upload within five (5) business days of the due date. The City posts all documents, to include addenda, on the Finance Department Bid Opportunities web page: https://www.columbusga.gov/finance/purchasi

ng/docs/opportunities/Bid Opportunities.htm.

Step 5

Review Your E-Bid Response, and if everything is correct, then press "Submit Response"

You are done! And the government to which you've submitted this will download your responses and documents and see the day and time upon which you submitted your proposal.
